DAMAGE TO EXHIBITS
While being loaded, unloaded or moved to the various booths or common carriers by Freeman, they will be responsible as outlined in our Limits of Liabilities Statement enclosed in the Freeman Services Guide. Freeman **WILL NOT** be responsible for damage to materials improperly packed, for concealed damage, for loss of theft of exhibitor's material after same have been delivered to the booth, or before materials have been picked up for loading out of booth. It is suggested, however, that shipments be fully insured by exhibitor. This may generally be accomplished by "riders" to existing policies-often at no extra cost!

EMPTY CRATE RETURN
Freeman will begin returning empty containers as soon as the aisle carpeting is removed from the exhibit floor. The entire process will take approximately 5 hours.
